Principal's Message

Rev.Fr Joshy Mayamparampil CMI (Principal)

The academic year 2019-'20, our year of felicity is nearing its conclusion.

As the season of Advent has just begun, I would like to take this opportunity to extend Christmas wishes to all families.

Christmas means so much to us in so many ways. It is a time of celebration with friends and colleagues, a time of reflection of a past year. It is such a beautiful time for family. A time for the excitement of gift-giving and gift-receiving. In all these happy events we should never forget the central message of Christmas. Christmas is the word made flesh, the incarnation, a central event of our history. In all the wonders and joys of Christmas that we experience, this is the most wondrous and joyous. So we prepare ourselves to celebrate the coming Christmas in the joy of our faith. I hope that all families enjoy this coming season and its wonder and extend the blessings of Christmas to each one of Christ Nagarians.
